

Kinser Park

A big "thank you" to all that welcomed me, my family and some new workers in such a warm way; and, offered to lend a hand when they could!

I realize that Johnny Gregg left "big shoes to fill" in his retirement and appreciate your patience. While I bring a wealth of experience in operating this type of facility and special events, every facility and program is different. Your friendliness and helpfulness was especially appreciated over the busy Memorial Day and 4th of July weekends.

Another big "thank you" to the Fat Boyz crew - feeding a starving staff on more than one occasion, welcoming us and providing that big spread on the 4th of July weekend for everyone! It was great! And, let's not leave out the others that have offered us meals, more than once, and helped get us through the days - **thank you very much!**

As we look to the future, the goal remains to retain Kinser Park as a quality Greene County family destination, a fun vacation destination for Greene County visitors, and, to utilize the park's vast resources to enhance Greene County.

I look forward to getting to know you all,
Rex Oster

Wanted - Event Planning Representative

Looking for a seasonal camper that wants to work with us in the development of events, festivals, socials and concerts in 2012.
